---	---------------------------------------	--------------------------	-----------------------

For the first time, we have shown that the presence of a  $\beta$ -CD complexed with the polymer can improve the stability of the polymer solution. This is because the polymer chain is surrounded by the  $\beta$ -CD complex, which can prevent the polymer chain from aggregating. The results of this study are very important for the development of a new type of polymer solution.

**MEMORANDUM OF UNDERSTANDING**

This Memorandum of Understanding is made and executed on 01<sup>st</sup> January 2024 at Hyderabad.

**BY AND BETWEEN**

Rishi M S Institute of Engineering and Technology for Women, Kukatpally Hyderabad, its administrators, assigns and successors represented by Principal / HOD, who is duly authorized to sign and execute the MoU.

**The First Part**

**AND**

Earthbox Ventures Private Ltd, an authorized agent of ITC has its principal office situated at Plot No # 52, IDA Nacharam, Hyderabad 500076, and is represented by Mr.CH. Raju Managing Director referred to as "Earthbox"

**The Second Part**

Where as Rishi M S Institute of Engineering and Technology for Women, has agreed to collect and give away dry recyclable waste including any kind of paper waste and old records generated in its School/college and from Swachh WOW Hyderabad Chapter.

**1. NOW THIS MOU WITNESSETH AS UNDER:**

This is an agreement for a synergic alliance between RISHI M S INSTITUTE OF ENGINEERING AND TECHNOLOGY FOR WOMEN, and Earthbox for the social cause of recycling Dry Waste and Environment Protection through recycling.

**2. Period of MOU:** This MOU shall be for a period of one year commencing from the date of signing of this MOU.

**3. Roles and Responsibilities of: RISHI M S INSTITUTE OF ENGINEERING AND TECHNOLOGY FOR WOMEN**

- a. To ensure source segregation of dry and wet waste at the School/college premise through its Teaching staff, housekeeping staff, and Students.
- b. RISHI M S INSTITUTE OF ENGINEERING AND TECHNOLOGY FOR WOMEN, will give away any kind of paper waste, dry recyclable waste, and old records to Earthbox at the price agreed mutually. Earthbox will pay Rs.14/kg for any kind of Paper waste and old records and Rs. 4/kg for Plastic Waste (pet bottles, polythene bags, etc.,) and E-waste.
- c. RISHI M S INSTITUTE OF ENGINEERING AND TECHNOLOGY FOR WOMEN shall form Swachh WOW Hyderabad Chapter in the college with Student Volunteers and adopt nearby Schools/colleges or Colonies to promote Source Segregation through student volunteers.

- d. RISHI M S INSTITUTE OF ENGINEERING AND TECHNOLOGY FOR WOMEN shall provide students with an Internship in WOW Program.
- e. RISHI M S INSTITUTE OF ENGINEERING AND TECHNOLOGY FOR WOMEN shall motivate students to bring dry recyclables like paper, plastic, metal, etc. from their homes and donate to the WOW initiative.
- f. RISHI M S INSTITUTE OF ENGINEERING AND TECHNOLOGY FOR WOMEN will put up color-coded bins for waste segregation at different points on School/college premises.

4. **Roles and Responsibilities of Earthbox:**

- a. ITC-MARI will train the students and housekeeping staff on source segregation and through them inculcate the habit of source segregation among the other students.
- b. Earthbox will collect dry recyclable waste and old records from Schools/colleges and bring them to the Dry Resource Collection Centre (DRCC) without any spillage.
- c. Earthbox will organize the sorting of the dry waste into different categories, baling, and appropriate disposal of dry waste.
- d. Earthbox shall coordinate with ITC and undertake necessary measures for the dispatch of the sorted recyclables for recycling at its own cost.
- e. Earthbox will make payment to RISHI M S INSTITUTE OF ENGINEERING AND TECHNOLOGY FOR WOMEN directly into their accounts for the dry recyclable waste collected against the accurate weighment and the type or category of the dry waste. The payment shall be made no later than 15 days from the date of purchase of dry waste from the waste collector. Franchisee on the request of RISHI M S INSTITUTE OF ENGINEERING AND TECHNOLOGY FOR WOMEN, may give New Notebooks and Stationery against the value of dry recyclable waste lifted.

5. **Performance of Obligations**

- a. The details laid out in this MOU, notwithstanding the essence and spirit of this MOU is an understanding between RISHI M S INSTITUTE OF ENGINEERING AND TECHNOLOGY FOR WOMEN, and Earthbox.
- b. Any notice or other communication under or in connection with this agreement shall be in writing in the English language and shall be delivered personally or sent by way of e-mail to the party due to receive the notice or communication at its address set out in this contract or such other address as either party may specify by notice in writing to other.

**ADDRESS FOR COMMUNICATION:**

Following are the address to which all notices shall be sent:

**For Earthbox:**

Nacharam Hyderabad-500076

**RISHI M S INSTITUTE OF ENGINEERING AND TECHNOLOGY FOR WOMEN,**

Near JNTUH, Nizampet Cross Road,  
Kukatpally, Hyderabad -500085.

**6. Execution of this Agreement shall be deemed to be**

- a) A confirmation by both the parties that no benefit, either in cash or kind has been provided by either party to the other party or any officer or employee, or any relative/ associate of any officer or employee of either party or any of their associate institutions/companies to enter into this Agreement, and
- b) An undertaking by both the parties not to provide any benefit, either in cash or kind to any officer/employee/relative/associate of any officer or employee of either party as reward or consideration either for entering this MOU or other matter relating to this Agreement.

**7. Other Terms:**

**Force Majeure:** Neither party shall be liable for damages for any delay or failure to perform its obligations here under, if such delay or failure is due to reasons beyond the control of the concerned party including without limitation, strikes, riots, wars, fires, epidemics, quarantine restrictions, unusually severe weather, earthquakes, explosions, acts of God or state or any public enemy or acts mandated by applicable laws, regulation or order, whether valid or invalid, of any Governmental body.

**8. Dispute Resolution:** It is understood by both parties that this Agreement is for a social cause and not to make any profit out of the understanding. The Parties covenant that they will comply with all applicable laws and regulations in their conduct under this Agreement. Any dispute arising out of this Agreement shall be first attempted to settle amicably between the parties.

**9. Arbitration**

Any dispute which is not resolved amicably shall be finally settled by binding arbitration concerning the matters concerning the MOU with the Sole Arbitrator to be appointed by the mutual consent of both parties. The Parties agree that the decision or award resulting from arbitration shall be final and binding upon the Parties.

Pending the submission of and/or decision on a dispute, the Parties shall continue to perform their respective obligations under this Agreement without prejudice to a final adjustment by such arbitration award

**10. Governing and Jurisdiction:**

This Agreement is subjected to the Jurisdiction of Courts at Hyderabad.

The parties shall agree that they will not make use of, disseminate, or disclose confidential information to any person, firm, or business. Furthermore, the existence of any discussions, negotiations, or agreements in progress between the parties shall not be released to any form of public media without the written approval of both parties.

### 11. Amendments

This Agreement and the Schedules together constitute a complete and exclusive understanding of the terms of the Agreement between the Parties on the subject hereof and no amendment or modification hereto shall be valid and effective unless agreed to by all the Parties hereto and evidenced in writing.

### 12. NOTICE /Termination

Any notice required to be given hereunder shall be given in writing at the address of each party set forth as below in this agreement or to such other address either party may substitute by written notice to the other. Either party may terminate this Agreement by giving 30 days written notice to the other party.

In witness whereof the parties hereto have signed this agreement on the day, month and year mentioned hereinbefore.

### The Green Policy of the Institution

#### **Introduction:**

Our college is well-known for its "Clean and Green" Campus, which combines environmental activities and instruction to promote sustainable and environmentally friendly behavior both on and off campus. The green campus concept enables the institution to take the lead in redesigning its environmental culture by instilling environmental values in students and staff. The College also advocates for a "Clean and Green" campus by encouraging students and staff to embrace, practice, and promote environmentally beneficial habits in order to enhance eco-consciousness among themselves and in the world around them.

#### **Scope of the Policy:**

- ❖ Our Green Campus, Energy, and Environment Policies will provide interesting new co-curricular and extracurricular activities that empower students to take the initiative in effecting good change. These programs require for a complete examination of all infrastructure and administrative operations in terms of energy efficiency, sustainability, and environmental impact. This policy focuses on the following areas:
- ❖ Clean campus initiatives
- ❖ Landscaping initiatives
- ❖ Clean air initiatives
- ❖ Water conservation through rainwater harvesting system
- ❖ Waste management processes (solid, liquid, and e-waste)
- ❖ Awareness initiatives
- ❖ Implementation of Green, Energy, and Environmental audits.

---

### Objectives of the Policy:

Continuous improvement in the efficiency and effectiveness usage of resources that includes energy, water, and also the reduction in consumption of waste produced by recovering and recycling.

- ❖ Plastic free campus.
- ❖ Conduct regular environmental and energy audits.
- ❖ Minimizing the paper usage in administration by under the policy for E-governance.
- ❖ To safeguard and conserve natural systems and resources on campus.

### The Environmental Policy of the Institution

The institution is committed to managing its campus according to its responsibilities to promote a sustainable environment.

#### **Clean Campus Initiatives:**

- ❖ The institution has pledged to organize cleaning actions both on and off campus per the goal of the Swachh Bharat Abhiyan through NSS. The overall vision is as follows:
- ❖ Generating awareness of cleanliness and hygiene among students and faculty members through cleanliness programs on 'Swachh Bharat Abhiyan' themes on and around college campuses.
- ❖ Staff and students will be encouraged to participate in the college's cleaning initiative.
- ❖ Events such as Poster, Slogan and Essay Writing competitions, on 'Swachh Bharat' will be organized.
- ❖ Conduct lectures on waste Reduction, Reuse, and Recycling.
- ❖ Commit to managing garbage and maintaining a clean campus, particularly during collegiate events.

#### **Landscaping Initiatives:**

The campus environment, like the buildings, may be viewed as a tangible representation of a college's ideals. It is an important aspect of school life, offering room for studying, playing, outdoor activities, leisure, and aesthetic enjoyment. Green campus landscapes also regulate runoff, recharge groundwater, and purify and chill campus air. The landscape is a visual symbol of the university community's dedication to sustainability.

---

### **Clean Air Initiatives:**

Our students, faculty and staff are encouraged to use public transportation instead of using individual vehicle. This will help to control air pollution and strengthen social interaction.

The students are given firm instructions to maintain the campus clean. A gardener is appointed to maintain "Clean and Green" Campus.

### **Water Conservation through Rainwater Harvesting System:**

The institution is dedicated to the task of replenishing the groundwater table through rainwater gathering. This procedure helps to refill and recharge the groundwater.

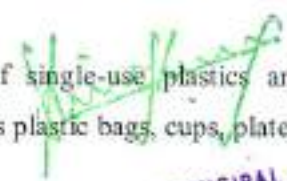

### **Implementation of Green Audit:**

The institution intends to undertake a Green Audit of campus regularly to analyse our strengths and weaknesses to achieve our long-term sustainability goals. A green audit is an effective method for determining how and where the majority of energy, water, and resources are used. The college may then strategize on how to make improvements and save. It can determine the kind and amount of garbage. Recycling programs or waste minimization initiatives can be implemented. It will raise health awareness while also promoting environmental ideals and ethical behaviour. It offers a better understanding of the impact of environmentally friendly actions on campus. Green auditing encourages financial savings by reducing resource consumption.

### **Plastic-Free Campus:**

Since its foundation, the institution has carried out the majority of its solid waste management responsibilities. Given the Government of India's commitment to ban all single-use plastics owing to the dangerous impact of plastic use and pollution, the college administration rigorously prohibits the use of single-use plastics on its premises in order to create a "Plastic Free Campus."

The institution educates students about the negative impact of single-use plastics and encourages them to avoid bringing non-biodegradable items such as plastic bags, cups, plates,

---

small drinking water bottles, straws, and sachets. The university provides ecologically appropriate replacements such as stainless steel, washable, and reusable tumblers at all water units and requires the canteen to provide only paper plates and paper cups in order to progressively eliminate the usage of plastics on campus. These initiatives are integrated into institutional planning and budgeting procedures to create a clean and green campus.

### Policy Circular

**Subject:- Ban of usage of plastic material in the Campus**

To safeguard a clean and green environment on the college campus, the following method is implemented immediately.

1. Plastic bags and materials are restricted for both staff and students.
2. If any plastic material gets found on campus without the knowledge of personnel, it will be quickly disposed of in dry trash containers located at corners and junctions.

### Policy Circular

**Subject: Restriction of outside Automobile Vehicles into the College Premises and awareness of parking Vehicles within campus**

In order to keep the College Campus pollution-free, the following practices must be done immediately.

1. Outside Automobile Vehicles i.e., two-wheelers, three-wheelers and four-wheelers run by diesel or petrol are not allowed on the college campus and should be parked outside.
2. Park the vehicles at the designated parking area.
3. Respect parking areas reserved for individuals with disabilities.
4. Follow the instructions of the parking attendants.
